“ I'm So sad to hear about this. I went to high school with Giles. I remember him always being very sweet and extremely smart. Lots of prayers and good thoughts going out to his family.

“ Giles Caldwell was a wonderful person. I attended high school with Giles. He had a passion for the natural sciences. He was a kind and gentle soul amidst a pack of wolves. A good man in dark times. Rest his soul.

“ I am just now seeing this and am so sorry to hear about Giles- I didn't even know his mama had passed until reading this. I always loved Giles when I was around him and we crossed paths. I am so happy to know he knew The Lord, so we all know where he is because all this trivial stuff on earth don't mean a hill of beans, it means nothing without the Lord and that is all that matters. I will be in prayer for family, especially Arthur to get through these tough days ahead because of our selfishness we want him with us!! Again I am so sorry to hear this but so happy for Giles to be in heaven with his mama and so many others that were waiting for him.....
