“ She helped raise me and we would always watch justin wilson and all kinds of cooking shows. She loved to try new recipes and would always get excited about them. You will forever be my sister and I love you more than mere words could express. I will miss you but I know God needed his beautiful soul home with him. I love you very much!!!! and its hard to let go. I know you are at peace and no longer in pain, or suffering and that is the way you could be.

“ Even though we had different mothers by birth, we were as close to sisters as nature allowed. I will always love you, remember the good times as kids, and I miss you now. I love you Ruby.
