Barbara, Butch, family members

I worked for Ascs and FSA when Mr. Hess served on the State Committee and Chairman. He did a super job representing the farmers and ranchers of NE Arkansas and working with the entire state during his Chairmanship. We always appreciated his deep knowledge and concern for the USDA programs and for rural Arkansas, and certainly enjoyed his attitude, personality and wit. We have lost a good friend.

I am sorry for your loss. Please know you all are in my prayers and thoughts.
