“ Ann was my neighbor growing up and I spent so many wonderful days with she and her entire family- they were like a second family to me/ I can remember cranking the ice creamer maker every summer/ her dad taught me how to play ping-pong and her mom made the best chocolate pie I've ever eaten/ we both shared a love of animals especially dogs/ they always had Penkinese growing up and me with my strays! So sad to hear the news/ we lost contact in our adult years but I will always cherish the memories / I am so grateful several years ago when I went through Wynne that I went by her home and we had a great visit /as my dear brother Johnson always said, it's not the things we do in life we regret but the things we don't/she had a kind spirit although she could be stubborn at times/ her convictions ran deep/ I hope she's up there with Bill, Charles and Marthann as we speak and that someday we shall meet again/ love you Ann, Scott Melhorn

“ Ann and I were and have been friends since summer camp when we were 14 years old. We rode horses and had adventures to last a lifetime. We found each other years later when I moved to Arizona and she came to visit me and we again had grand adventures and made lasting memories. I am so saddened to hear of her passing and will think of her often in the years to come. Rest in peace Ann.

“ I am a cashier at the Wynne Wal-Mart, and I can remember the numerous times I have checked her items out at the store. She loved our Garden Center. She was always courteous and loving toward me. She did not ever rush me, and always thanked and told me how much she enjoyed my service to her. I will surely miss her and she was a blessing to me every time she came in. I will always remember her. I love you Ann.
