“ Dear Bob, Harold, Barry, Brenda and Amy,
I was blessed to have known Autie. I worked with her for many years with the Wynne Friends of Animals. She was an inspiration to the whole group. She never gave up even though things seemed so hopeless. I enjoyed the visits with her and Earl at their home whenever I needed to pick something up or drop something off for the organization. She was an amazing woman who had a heart so big, that there was always room to love or care for another animal! She was a true friend! Autie was so proud of her family, especialy Amy! She always kept me informed of your accomplishments! My prayers are that God will give you peace and comfort during this time!

“ Amy & Family I am so sorry for your loss. My heart goes out to you all. I know Autie will be missed so much. Each time I wanted to contact you, amy, I would call her house & hear her wonderful voice. Each time I could hear the smile on her face when I would say this is Johnna & without missing a beat she would ask about the whole family. She was a wonderful & caring lady! I know she will be missed but remember she is in a much better place & with Earl again. You all are in my thoughts & prayers.

“ We were so very blessed to have had such a wonderful soul with us. Her humor, her love of all things in nature, her quirky fear of ghosts, and just the sweet essence of the woman I call Aunt Autie. Though she will be terribly missed, she will never be further than our hearts. I can think of no better guardian angel to look over the family than Autie. She always helped us see the humor when things don't go so well, and would challenge the biggest baddest redneck in the county if he's not being nice to his dogs.
You all have her spirit, and I keep you in my prayers. Lynnette

“ Dear Family: We are so sadden to hear of Auties death. It's just hard to believe. This family has loved all of the family for a long time. And our friendship started years ago. Boy we had some great times. Amy just like another daughter to us. Our hearts go out to you and our love. You and Johnna used to drive Autie and Earl crazy like ya'll did me and Phil, But we took it cause of our love. Wynne and cross County has lost such a great person. Autie will be home with Earl now and feel no pain. Each of you are in our thoughts and prayers. With all our love we rap our hearts, thoughts and prayers ,to each of you at this hard time.
