“ Betty was always the most encouraging person. As I dropped by to see Mom, I always detoured to visit Betty. It would have been wonderful to know her in her prime, but I bet she was just the same, she no doubt brightened the days of everyone in her path. My heart is with you Nancy.

“ I don't believe I ever saw Betty without a smile, she was always so kind and sweet and I just remember her smile. I met her many years ago through Janice and Nancy when I lived in Jonesboro, Betty and Bill were two of the most beautiful people I had ever known. I am so sorry for the passing of Betty, I know she will be truly missed, but know she has gone home and is safe and well with her Bill now. My prayers for the family, I know it is a void that is never filled. Love your family. Kathy Beightol

“ Dear Argo Family, I loved Betty Argo! We were always happy to see each other, and I missed those times when she left Wynne. We talked about a lot of things but mainly about her children (whom I taught and cherished) and the grandchildren. I am glad she is at peace, but she will be missed. With love and peace for the entire family, George Anne Draper

“ I am so sorry to hear about Mrs Argo's passing. She was such a nice lady. My husband and I used to get our medicine at their pharmacy. I missed them when they closed the store. There is always people who cross your path that you always remember fondly and Mr. and Mrs. Argo were two of those people. They always had a smile for everyone.

“ Growing up on Poplar St in Wynne was a magical time because we grew up together & our families were always close & looked out for us.

Bill & Betty ran Argo Pharmacy & I grew up shopping there for anything you needed.

My kids were raised on his personal mix of purple cough mixture.

They raised a fine family.
