“ RayDean: Wish I were able to be there and say some comforting words to you like you have for my Ford family so many times. I remember your mom leading singing at the Hickory Ridge Assembly of God Church. She also was my Sunday school teacher for a while. I learned a lot from her and she will be missed by many. You and the rest of the family are in my prayers

“ I have happy memories of visiting Aunt Betty during our trips to Arkansas to see family. Because we didn't live nearby, I wasn't as close to her as I would have like but I loved her and will always remember her as a lady who loved Jesus and her family. My prayers are with all of the family.
