“ I was so saddened to hear of Betty Ann's demise. My many beautiful memories of her began 65 years ago when I transferred to WHS in my senior year and Betty was so gracious in quickly taking me under her wing, being sure that I was included in all activities, introducing me to classmates, and making me feel so welcomed as a new friend in WHS '54. Years later we were able to reconnect via emails, and it was so obvious that her kind, gracious manner had continued throughout her life. I'm so glad to have known her. What a beautiful, beautiful soul. My very deepest sympathies to Leroy and family.

“ So many fond memories of Mrs. Dangeau! I can still remember stories my Mother told about coffee at the Dangeau’s. One story that sticks out the most is of the fox den under the sidewalk. Mrs. Betty Ann was always so kind to me! Wynne lost another True Lady, But The Coffee Group gained another Angel!
