“ Donald,Bobby,Tina, and Shelly I am so sorry to hear of Betty's passing. She was always laughing and having a good time and I will never forget how good she was to Mother at the shoe factory. It hurts to let them go, but at the same time, we are so grateful to Jesus for taking all the pain and suffering away and taking her by the hand and walking with her right on into Heaven where you know you will see her again and she will be made whole again the cancer will be gone and she will be back to laughing and having a good time. God heals all our sorrow, it just takes time. God bless all of you.

“ Tina, Courtney and Shelly - So very sorry for your loss. Betty was a remarkable woman. I have many wonderful memories from my time at Addison, visiting her at her home and of course seeing her at Wal-Mart. She will surely be missed. May the Lord comfort each of you in your time of grieving and in the many days, weeks and months to come. Love Rhonda & Mark
