“ I've known Bill & Billie since I was a kid in the 6th grade. One memory of them that stands out in my mind, they bought me the only graduation gift I got, when I graduated from high school. It was a little Chinese Lantern Lamp with a beautiful blue nylon shade with pictures on it. The heat from the bulb made the shade turn round & round. They had no idea how much that little lamp meant to me. I turned this lamp on every night even after I got married, till the little shade was literally in shreds. I'm so proud to have had them in my life for all these years. They were both giving & loving people. They will be greatly missed by all that knew & loved them & I'm one of them. Donna, may heart is actually breaking for you, losing both your parents in just a few short months. Just know they are both with the "LOVE OF THEIR LIVES". Girl I love you, I'm here if you ever want to talk or if you just wanna cry, I can cry with you. I've done a lot of that in this past year. But I want to warn you I cry UGLY. R.I.P Billie & Bill Hinchey, you will never be forgotten..
