“ *This is a very touching post. One of my friends lost his mother when we were eighteen. I didn't know what to say or how to act. Then my mother got cancer and I was so afraid. Luckily, she pulled through after a year in the hospital. Even though I almost lost her, I still don't know what to tell people when they lose someone close to them. But believe me when I say, I really am sorry. For every person who loses a parent, a spouse or a friend.*
