“ *Mr. Hamrick was a very special person. He was a patient at our office and every time he came in for a visit he brought smiles to each and everyone of us. He even brought several of his cobblers to our office to show off his cooking skills. He was a wonderful man and made a huge impact during the short few years I knew him. He will be greatly missed by me and my co-workers. My sincerest condolences go out to his family and friends. Heaven gained a beautiful angel. -A*

“ *I had the priviledge and honor of working with Bobby Frank for several years. He was a trusted friend who will be sorely missed. Frank was the same person everytime and everyplace you saw him. He was always willing to help whenever there was a need. I know Frank was very proud seeing J.C. follow in his footsteps with the Highway Police and watching him grow and become the man he is today. My condolences go out to J.C. and the rest of Frank's family.*
