“ There will never be another Camelia, she was always smiling, always mad my day better by just seeing and talking to her. I know she has several jewels in her crown in Heaven. She taught my youngest son, Robert, and did wonders to help him with anything. She was such a sweet friend who I will always carry her in my heart. I pray God will help them with their grief and feeling of loss and He will, Jesus will hold your hand and walk with you thru this time of grief. Then you will come to the point where you can laugh about all the funny things without crying. I know now I have another very dear Guardian Angel watching over me.

“ I don't even know where to begin. . .Camellia was a part of my life as long as I can remember. Being good friends with Karen, I spent a lot of time in their home, and a brief moment in their attic. \*wink\* She had her home and kiddos so organized - my fly-by-the-seat-of-my-pants-self was always impressed! She was always very kind to me, as was Jere, and I always felt a warmth when around them. Camelia, my almost birthday buddy, I'll miss you. Love and prayers of peace to the Kernodle family.

*“ Camilia leaves such a strong, loving family to celebrate her life. I will miss her smiling face and earnest, caring questions about my family and myself. I'll never forget her bringing fresh-baked bread to our home after each birth of our children. Nothing satisfied me more than the smell and taste of her bread! We are praying for strength for Jerry and the entire family, God Bless. LuDDugan*
