I spent so much time with this mother of one of my best friends! She taught me so much about having a vivacious spirit! The way she could scan you up and down with her fun loving dramatic eye widening and narrowing looks! She taught me "as a lady if you are going to drink coffee Merikay you got to learn to drink it black" I will not ever forget drinking black coffee with her!!! She used to sing to me "five foot two eyes of blue has anybody seen my gal" and would dance like a lil jitter bug style dance with me around the kitchen!! I have many more precious memories but most of all I will cherish her energetic spirit! Rest in peace Ms Carol Lou! Thank you for the happy times and blessing me with a dear friend Leigh!
