“ Ms Charlene was a lady with incredible grace and kindness and I remember her as far back as I can remember. She was highly regarded by our counties' farmers and of course everybody wanted her to help them with their applications or contract. Ms Charlene was just a truly wonderful human being who cared about others and lived her life as an example of her faith. She will be missed by very many people. Our family wishes to extend our sincere condolences at her passing and we'll pray for you all to have grace and peace as you mourn her passing.
