“ We share in your loss of this dear lady. I will never forget how good she was to me when I was just a young girl engaged to be married there in Wynne. She gave me a shower in her home before our wedding where I got some of the things we needed to start our married life. She always stayed in touch when we lived there in Wynne, gave me some much needed advice, and even helped me find someone to help clean my house when I went to work full time. We lost that personal contact over the years when we moved away and lived in other cities; but Christie and I got back in touch a few years ago and we will stay dear friends from now on.
