“ Cindy, you will be forever missed by me and many others. I will never forget our teen years out at Tilton. You taught me how to drive a stick shift in your Toyota Corolla after me putting my uncle Joe's truck in the ditch! Bless his heart he tried to teach me and you had faith in me still! We would cruise those back roads with the windows down listening to Train, Train by Blackfoot! We were such rebels, lol! Those were such good summer days in our youth! We spent many a night at each others house hanging out. I know we didn't keep in touch as much as life moved on, but that did not mean my heart forgot you. We caught back up on Facebook...at least it was good for that. You had such a good and kind heart. I know you are pain free now and with our Lord. Rest in love and peace sweet friend.

Love you always,

“ *Friends are far; friends are near.
Friends will be there to lend an ear.
They listen, laugh, and care,
But most of all, they're always there.*

She was always there for me, and I will miss her much!

“ *This is your crazy cousin Lori and I guess I'm going to be the first to post a memory. Where do I start because there are so many of them. I guess my favorite memories are of all of us cousins getting together every October and having our cousin's reunion. We had some very good times and I'm so glad we did that. This year we had planned on doing that again in a week. Looked forward to seeing you again. However, God decided he wanted to see you first. I will never forget you and love you with all my heart. Please tell my boy, Anthony, hello and keep him in line for me. Until we meet again. Love and miss you. Lori Plegge*
