“ I was shocked today to learn of Cozett passing. She was always a member of the family even after the divorce from Gene. We all loved her so much but had not been able to keep in touch with her after I no longer had an email for her through Nina. Last saw both Cozett and Nina a couple of years back at their home in Tilton. She will always be remembered and loved. Wish I had know about this earlier but only learned of her passing today on July 20.

“ Having known Cozett and Nina all my life it's very sad they're now both gone. Cozett was a good soul who loved and appreciated many things. She and Nina were like our aunts, as Hazel and Nigal were like our grandparents. Many fond childhood memories at their house and post office in Tilton. The Nigal Slocum family is now reunited again.
