“ 3rd Day ‘Cry Out To Jesus’

<https://www.youtube.com/watch?v=VeGNgbwPTMA&feature=share>

*To everyone who's lost someone they love
Long before it was their time
You feel like the days you had were not enough
When you said goodbye*

*And to all of the people with burdens and pains
Keeping you back from your life
You believe that there's nothing and there is no one
Who can make it right*

*There is hope for the helpless
Rest for the weary
Love for the broken heart
There is grace and forgiveness
Mercy and healing
He'll meet you wherever you are
Cry out to Jesus, Cry out to Jesus*

*For the marriage that's struggling just to hang on
They lost all of their faith in love
They've done all they can to make it right again
Still it's not enough*

*For the ones who can't break the addictions and chains
You try to give up but you come back again
Just remember that you're not alone in your shame
And your suffering*

*There is hope for the helpless
Rest for the weary
Love for the broken heart
There is grace and forgiveness
Mercy and healing
He'll meet you wherever you are*

Cry out to Jesus

*When you're lonely
And it feels like the whole world is falling on you
You just reach out, you just cry out to Jesus
Cry to Jesus*

*To the widow who suffers from being alone
Wiping the tears from her eyes
For the children around the world without a home
Say a prayer tonight*

*There is hope for the helpless
Rest for the weary
Love for the broken heart
There is grace and forgiveness
Mercy and healing
He'll meet you wherever you are*

*There is hope for the helpless
Rest for the weary
Love for the broken heart
There is grace and forgiveness
Mercy and healing
He'll meet you wherever you are
Cry out to Jesus, Cry out to Jesus
Cry out to Jesus, Cry out to Jesus*

“ *crystal made so many memories over the years... How she'd always gather as many of our kids, their kids, your kids, and still more kids to go to a water park or the movies, etc... I often wondered if she'd lost her mind!! But that's why she was loved by so many, because thats just who she was and how she loved. If you've ever met her she touched your life in some special way. You will not be forgotten, crystal. And I'm honored to have known you! To ms patty and the girls, Anthony and Joseph I wish there was a way to ease your pain and I will pray for your family to find peace and strength thru this terrible time. I love you all. kim*
