“ I am so sorry for the loss of Cullen Mac. My mother, Beatrice Tolson Deere and I used to come to Pine Bluff to see Aunt Willie Overton and then we would go into town to see Cullen's mother, Mary. Art, this makes me so sad that your sweet wife has died. My husband of 44 years died in February so I understand completely what you are going through. There will be long days ahead of you but your children and friends will help you. My prayers are with you.

“ Our deepest condolences to the family. Vernon Tarver is our dear friend and co-worker in Fayetteville. He spoke often and with deep affection for his sister and mother. They had a profound influence on Vernon's life, and it was passed on down as Vernon has had a profound influence on the lives of many, many people and certainly us.
