“ Dana was a delight to work with. While training me at FNB, I learned "what not to do first", usually due to a system crash. She became a very special friend. She would make us laugh, sometimes we cried, but she always made us feel loved. She loved her family and friends. She loved elephants and she loved to dance. Oliver, Cary and family y'all are in my thoughts and prayers. She will be greatly missed, but she will always be in our hearts!
