“ *Danny was my first cousin, the son of my father's sister. I had no idea he had passed. When I would visit my grandmother in Wynne, Danny and his brother and I had many hours of fun playing and hanging out together. My sympathy goes out to the entire family.* ”

“ So very sorry to hear Dan has passed. I had not known Dan a long time but shared many days with him when he worked at the newspapers in the area. I worked with him at The Modern News in Harrisburg and he also covered some football games and stuff for me after it closed and I started WPC Journal. He was a great man and I send my prayers and thoughts to his family.
