“ *The fondest memory I have of my Daddy was him on a tractor. When I was little, he would take me and mom riding on the tractor. I will miss him everyday but I know he is in a better place. Probably riding a tractor! Until we meet again on the other side, I love you, Daddy!*

“ *To my dear cousin Danny, I tearfully say good-bye for now. I will always cherish your spirit, the smile you always had for everyone and the love and joy in your heart for us all. So many wonderful childhood memories to cherish growing up with you, Jimmy and the rest of my cousins. To my dear Aunt Elsie, her family and all of Danny's loved ones.... I may not be with you physically but I am in spirit. I send my love to each of you and my most humble and deeply felt sympathies. May God comfort you all in His loving arms during your hour of need. God Bless each of you.*
