

Danny Morris Glenn

December 8, 1954 - May 4, 2025

Danny Glenn, a beloved father, grandfather, brother, and friend, passed away on May 4, 2025, at the age of 70. Born on December 8, 1954, Danny lived a life full of passion, dedication, and joy.

A skilled electrician, Danny dedicated many years to the Highway Department, ensuring the safety and functionality of our roads. His love for golf led him to serve as the Head of Outside Operations at The Villages Golf Course, where he became a cherished figure among golfers and staff alike. Each year, he looked forward to working as a caddy at the FedEx St. Jude Classic Golf Tournament, bringing enthusiasm and expertise to the event. During the heights of his golf-industry career—between his roles with SeeMore Putters and as a caddy—Danny also worked as a spotter for ABC and CBS Sports, lending his keen eye to televised tournaments.

Beyond his professional endeavors, Danny found immense joy in golf and riding his Harley, embracing the freedom of the open road. His adventurous spirit and zest for life were evident to all who knew him.

Danny's legacy lives on through his children, Melissa and Bo Glenn, and his cherished grandchildren: Katie and Mattison Hodges, and Ben James Glenn. He is also survived by his siblings: Patsy Everett, Peggy Stone, Burt Glenn, and Jamey Glenn. He was preceded in death by his parents Herschel and

Kathryne Glenn, his son, Ben Glenn, and two of his siblings.

Danny's warmth, humor, and unwavering love for his family and friends will be deeply missed. His memory will continue to inspire and bring smiles to those who had the privilege of knowing him.

Visitation will be held on Saturday, May 10, 2025, from 10 AM until 11 AM at Kernodle Funeral Home. A memorial service will follow at 11 am. Danny chose cremation as the method of final disposition. Kernodle Funeral Home is in charge of arrangements. You may sign an online guestbook at www.kernodleh.com

“ Ok, I still find this hard to believe. From NASCAR races to working at AHTD or just having a cold one somewhere. It was always great to have him around. Any time storms were coming east across Arkansas, I was his watch dog south of Morton, to let him know what we were receiving and headed his way. Fly high my friend and know you will be missed by so many. Prayers for his family 🙏🙏🙏
