“ Bert, we are so sorry for your loss of Dee. My husband used to live close by her family while they were growing up. He and Boo were close friends and he commented that Dee shared her contagious laughter, was always happy and was a joy to be around. You and your family are in our thoughts and prayers. Stay close to God and he will give you peace. Understanding her death is hard and you may not ever understand why. You will never forget but over time the pain will get easier. God always wants the good, loving people in Heaven and she will be happily waiting for you when God is ready for you. We love you and you will constantly be in our prayers.

“ *Dee was such a bright shining star in this dark world and always smiling wherever she went. We are so sorry her life was cut so short and we are certainly praying for the family that you all find some kind of comfort during this time of sorrow and grief. God has our days numbered before we are born so only He knew it was her time. May God be with you all.*

“ *Dee was such a bright light in this dark world and always had such a beautiful smile or laugh for everyone she met. Will always remember her beauty inside and out and just know how sorry I am to hear that her life was cut way to short. I will pray for her husband and children and all the family to be able to face the days ahead and will pray for God to comfort them and give them peace in a way only God can do. God has our days numbered before we are even born so He was ready for Dee to come Home with Him.*
