“ David taught me how to love others without judgement or restraints. He loved me and my son dearly and always wanted to check up on us to see how we were. He had open arms to those he loved and nothing ever changed that. His illness never limited his ability to laugh and bring joy to those around him aside from his own pain of rejection or isolation. I can't wait to see him again and tell him thank you for teaching me selfless love in its entire purity of Christ. Love you David!

“ David loved laughter. When we were kids we would go to Burns Park and we would go to Pinical Mountain. He tried to keep me and Joy straight, because he would always say to us what he thought about what or where we were going. We always would tell him we would be right back and he would chuckle and walk away. No more pain God has you now and you can laugh all the time. I love you my sweet cousin. Love Teresa Bradley West.
