“ Kim, Patsy, and family, we are filled with a mix of emotion for you. David had a long life and until he became so ill, a highly productive and by all by my impressions, enjoyed every day. He loved life and it was evident to all who knew him. One did not have to be a close personal friend to recognize the obvious. Our thoughts are with you in this time of reflection and deep recollection. All of the pleasant and fun family memories come to us now and for the coming years. Life seems so tedious and mundane at times. It is times like this we realize how short and precious our time is, with those we love and spend our days. I love you all and hope to see everyone at next year's reunion. Alan and Barbara.

“ *I am so very sorry for the loss of Mr. Dave. Some of my fondest childhood memories include him. He was a wonderful husband, father and neighbor. He was the most awesome bus driver during my entire school career! May God bring peace to the family during this terrible loss. May the family take comfort in the knowlege that he is walking the street of Glory with Jesus!*
