“ Dear mawmaw
Why did u have to go I miss u so much I didn't even get to say goodbye I wish that I was with you. You were the most important thing to me when I was a baby. You taught me so much come back to me I need you at times when it gets rough you use the to make everything feel better. You are so beautiful even though I was sometimes bad I wish I could take those memories back and replace them with some beautiful ones. You are sweet kind and beautiful don't let anyone tell you different I hope that your in heaven so someday I can be up there with you. I want you to know no one down here has ever forgotten about you. You will always be in my heart I love u mawmaw

“ *I know this is a tough time for many people. There are not much one can actually say or do that will ease the pain; yet I want the family and loved ones of Diane know that I pray for their healing, comforting, and blessings to get you through this heart sinking time. KNow that my Heart, thoughts, and prayers are with you all! I am an old school mate of Curtis. I don't really remember Diane, and not sure that I have ever met her, yet I have a sister of my own... I can also say that Diane is my sister in CHRIST! GOD bless each and everyone family member, loved one, and close friend!*
