“ Sondra, I am so sorry for the loss of Donal. I didn't know anything about it until I just read it online. Be assured that he is in the best place anyone could ever be. He is probably "Sondra, take care of the girls and grandkids". I was around Donal more when Sharon was alive and we ran around together. I bet there were time when Donal probably wanted to tear into us. Those were happy times. Sondra, you and your family are in my prayers.
