“ We would like to express our sincere condolences to the family and to all of the friends.

Dora (Doe) was a very special aunt to me that basically I have been with since the day I was born. Not just a special aunt, she was a great friend as well. She was always there at the time of need and always willing to care for others.

Her caring for the family and her friends was an outstanding trait. She kept the family tradition going, she continued to have the Sunday family dinner, it was always a treat to all.

We have ever lasting memories of Doe and her kindness and deep devotion to all. She was always such fun to be around and always had the humor to make everyone smile.

She will be missed by everyone, our thoughts and prayers are with the family and friends.
