“ In 1992, I found daddy (Kenneth Marcus). What a wonderful miracle it was to finally meet him. You see, my daddy and my birth mother divorced when I was 2.

My blessing was meeting Dorothy "Mother" my stepmother. From day one she welcomed me with open arms and showed my family and I the love that only a mother could.

Not many people would welcome a stepchild into their home and treat them with kindness, respect and overwhelming love. But Dorothy "Mother" did. I will forever cherish her memory, admire her fortitude, respect her kindness and until we meet on the other side; thank you Mother for everything. And....thank you both "Mother & Daddy" for my wonderful, loving and kind sister, Peggy.
