“ Goodbye to a fellow who worked hard for the City of Wynne. He was especially aware of older friends who needed his help. He at one time, washed my widowed mother's mildewed brick home and many summers he watered her pecan trees. When he was not able, he struggled gallons of water out of his truck downtown to water the shrubs planted on Merriman, many at Cogbill Cemetery, city parks and other places. Earnest will be missed by many people.

“ I'm so sorry to hear of your loss. I want to send you my sympathy's. I know it can be hard to find comfort at a time like this. That's why I wanted to share something that I found to be comforting.It's the hope held out to us by Jehovah God in his word the Bible at Revelations 21:3,4. I hope it brings you the same comfort it brings me.Please take care.
