“ Bro. Ed will be greatly missed by us, we did not get to see each other much as our lives went in different directions but when we did meet we always knew there was love there for one another. We know we have a brother in Heaven and know he is preparing time to spend with us that this world did not allow. I lost my Dad on Jan.10,2008 and things are hard all around,our loss is Heaven's gain and we must remember that.
