“ *I guess there have been three or four e-mail jokes that I have sent
to you, and you to me, since your Dad passed. I always got some
extra satisfaction from finding a "really good one", knowing that
receiving them was a part of Daddy Frank's life that he so loved
living. I continue to believe that he will be reading them as he
always did, and enjoyig them as he always did.
I've known what the loss of a Father feels like since 1987, yet I've
also come to realize that the pride you have in your Father is a
positive thing for the rest of your life, generally turning a frown into a
smile when you think of him.
God Bless you and all your family.*

“ Frank was a wonderful, caring, and loving person. He was so intelligent and so wonderful to have a conversation with. We will miss him every day with his sweet smile and caring ways. He couldn't do enough to let you know he cared for you.
