“ I've know this lady since was a small child, always felt like we all were part of the family, which we weren't, we just had the same family the Hall Clan. As long as I can remember I never seen this lady that she didn't have a smile on her face. It's been a while since I seen Zine but she still had that smile on her face. All those that loved her whether family or friend will always have that smile to remember her by. I can close my eyes know & see that beautiful smile. My heart aches for Debra & Sister because I'm in the place they are, after my family going from 4 down to 2 in the last few months. Rest In Peace Zine & prayers going out to Debra & sister.

Debbie I was sorry to hear about your Mom. Sweet Brian called me a few minutes ago to let me know. I loved your Mom from the first time I got to meet her. I know that you didn't want your Mom to suffer but it is still so hard to lose them. I miss so much just being able to talk to mine. I will never forget her beautiful plumeria that she had planted in her front yard. Those flowers smelled as sweet as she was. I will always think good thoughts of her & her sweet personality. Love & prayers go out to you & all of your family. 🙏
