“ I know it's been a long time since we lost our beloved Aunt Emma, but through my research I found this and so very glad I did! I was unable to attend her funeral, as I live in Alabama, and didn't hear of her passing until after the services, She was actually my Dad's niece, but because of the age difference, we were taught to call her and her sisters as "Aunt ____". We loved them dearly! The last time my brothers, my son and daughter-in-law, and I visited them was in the late 1990's, Thank the Good Lord we did. I will miss this sweet spirited lady so very much. She and her sister, Aunt Berma, took a part of my heart with them when they left this world.

“ I am so sorry to see the loss of Ms. Emma. I worked with her for years & loved her smile & enthusiasm for her work. But more than that she & my mother were such good friends. They kept in touch pretty much until Mother died. I know they are spending some wonderful, eternal time together now. My thoughts are with you.
