“ My heart goes out to the family. I've known Ester and her family about all my life. She was a very special lady and she truly loved her family. Take comfort in the fact she is with her maker and no longer in pain. Her memories will live on in your hearts and one day you will have a rejoicing reunion with her.

“ Esther was a very high strung and spritual person, she loved the Lord very much and now she gets to meet him...I pray that her children and husband will find comfort in one another and the very happy memories that she has left with them.
