“ *Oh how the music would always flow as we would travel down the road. She would get all of us in the car singing. She loved to drive. She & I both love Cardinals. Now she can grab a cloud drive around and let her wings fly high! Her family was her life! She loved life to its fullest! We will see each other again. Love you Aunt Ethel! Love you Joy & Mark! My heart is with you!*

“ I didn't know Louise, as I called her, very well but was friends with her sister Esther Witcher. What I remember most about Louise was, she was one of the kindest and soft-spoken woman I have known. My love and prayers go out to the family. Hang onto the fact that if you know Jesus you will see Louise again. She is with the Lord and is rejoicing with no pain anymore.
