“ Sharon, Louise, I am sorry to hear of your Moms passing. Joy told me at lunch today, I would of been there if I had known earlier. I know you will miss her deeply. She was truly a very sweet lady. I have many memories of her while we were growing up. She was a truly talented person with flowers and her sewing. She always made me feel at home. God bless you all and wrap his arms around you. My prayers are with you.

“ I will never forget anytime we went to visit our Grandparents in Arkansas begging to go and visit Aunt Eula. She always made my sister and I feel at home and loved. After our Mother died she was a second mother to us. I will never forget her and I loved her with all my heart. I am so sorry Sharon and Louise for the loss of your mother. Nothing will ever replace her and there are no comforting words that could give you peace, only these. She is with her Savior now as well as her parents and brothers and sisters. One day you two will join that celestial circle and be with her again. So grieve for today, but hope for a brighter tomorrow.

“ Sharon, and Louise, so sorry to hear of your Mom's passing! I have so many fond and happy memories of spending time at your house, and playing next door at the flower shop where your Mom worked! My favorite memory is the "candy" wreath she would make each year for your front door!! She was so creative and talented, and could make anything! Love and prayers to each of you and your families!

“ Ms Chapman was our next door neighbor in Jonesboro for several years. We grew to love her so much and she was like a mother to both of us. One of the many wonderful things we shared in common was the love and knowledge for the St. Louis Cardinals. No matter how late they played, she always stayed up to watch on tv and we would always call her when great plays or bad ones were made. She would always call them "her boys" and especially loved pitcher, Adam Wainwright. I could go on and on about the many kind things that she did for us and our grandchildren, but space won't permit. We will miss her dearly, but glad she is with the Lord and in no more pain! We have grown to love her family as well and all the kindness they have shown us. Our thoughts and many prayers are with you and pray God will give you all strength in the days ahead.

Love,
