GS

“ Ms Mary, Kyle, Beth and family, I wanted to express my condolences to you all. I was out of town during the service but I wanted to tell that I remember Mr. Gabe as such a fine example of a Christian gentleman. I always enjoyed visiting with him at church or when he was at the hardware store and we would catch up and often he would relate a story about something in Wynne when he was a young man. We share your sense of loss but will always remember his kind and friendly manner. Grace and peace to you all from all of the Spence family.

Gabe was my next door neighbor growing up and he had patience with me and Diann. I know that we were constantly in his "hair" one way or another, following him around, asking questions, getting in his tree house, and being just normal little girls. He was dearly loved by his family, friends, and the apple of his mother's eye. He was the backbone of the family, and the one we all went to for everything! A very loving soul and someone that was greatly respected, loved, and one of God's special people. Neal
