“ Donna, Steve, and the rest of your family, I am so saddened to hear of your loss. Your Mother was always so sweet to me and made me feel so good just to be around her. I know your hearts are so heavy right now, but just think, she is with your Dad, Valerie, and Josh and what a blessed reunion that must have been. We will all see our loved ones again some day and we will know how they felt the minute they were released and entered into Heaven. God Bless all of you and please let me know if you ever need me.
