“ Dale and I will miss our dear friend and his visits to our home. When I fixed chicken and dumpling or peach cobbler, I will think of him I sent this to him by Dale when I cooked. He never let me pay for our peaches that we would get to eat and to cook a cobbler. The last visit I had was at the hospital we talked a little bit he was tired so I told him Dale and me love you and GL said "I love you both too but I loved Dale first because I knew him the longest and he gave me a big smile and we said our good byes I kissed him on the forehead not know that was the last time I would see him. Our prayers are with you ALL
