“ Tack loved my daddy. My dad gave him a job and won his heart. This made a big impression on me that I never forgot. My heart goes out to his family Billy Sullivan

“ *When I was a young child, I remember visiting Uncle Tack and Aunt Betty. One of the best places to visit because their children were around the same age as my brother Jay and myself. Uncle Tack was a good natured person, never seemed to be mean-spirited and in my mind, always wore black. Don't know if that is true but that seems to be what I remember well. Even when he attended my Dad and Brother's funerals, he wore black. He has always reminded me of Johnny Cash because of the way he dressed!! Black shirt and black jeans.*

*I wish that I had been given the opportunity to know him better, but that is life sometimes. I will just hold onto the memory that I have.... that Uncle Tack was a good, good man, kind and loving, who loved his wife and his family.*

*May he now rest in the loving arms of our Father, In Heaven.... rejoicing with his beloved Betty and the rest of the Marcum clan. God Bless you all and may He comfort you in your time of grief and sorrow.*

“ Tressa, I so very sorry about your Dad. I know just how you feel, there aren't any words that can describe the feeling. The only advice I can say is stand on your faith, I know you have so much on your shoulders right now, so your faith will get you thru this. That's how I go thru Dad dying and Mother with a broken foot at the same time and i was alone doing it all. Please call me when you need to just scream or vent about all you have going on. God blessed me with good ears and a closed mouth. May God bless you and he will never leave you. love you
