“ I have many fond memories of Mrs. Fifer from High School. She was a very kind and gracious lady. She taught us so much in Home Economics, from boiling eggs to sewing dresses! She touched a lot of young ladies lives! I know I am a better person for having known her. So sorry for your loss.

“ *Your Mother was my Home Economics teacher in 1959-1962 at Vanndale, Ark*

*She was the sweetest and most understanding lady there was. I can say she taught me so much from sewing, cooking, hanging pictures and buying groceries. From her teaching I have been able to fulfil a lot of dreams. I made my daughters wedding,bridesmaids, maid of honor and flower girls dresses. Made dance costumes for many years. Still sewing for the grandchildren and the public.*

*Yes I am so proud to say she was the best, and I loved her dearly. She will always be remembered as a special lady by me.*
