“ *We are so sorry to hear about Ms Geneva. She would come to church some at Crestpark on Sunday mornings. Sometimes I would take her on my arm and Bernice on the other. I know Bernice will miss her friend. We will keep you in our prayers during this time...*

“ I developed a friendship with your mother over several years of banking. We always had good visits when she came in. She was a very special lady. My sympathy for you at this time.
