“ So sorry to hear about the death of Wallace Jr. As mother's cousin and friend, he was a very special part of her life and later, hers and Dad's when they got married. He was a groomsman in their wedding.

I will always remember him for how much he loved his daughters, the family land that he so diligently farmed, and the games of golf and tennis (and the way he would playfully tease Dot).

My thoughts and prayers are with you, Karan, Lynne, and Leigh and with your families.
