“ Will always remember you marrying us in your living room on our lunch hour with your wife as our witness-- she was cooking lunch!! The only regret is not having a picture made on 11/7/77!! Good loving people!! The last time I saw Bro Fink was in Walmart and he asked if we were still married~~ Thank you so much for your generosity and btw we are still married and loving it!!

“ Mrs. Robbie and family, I have such wonderful memories of Bro. George as my pastor at Marmaduke First Baptist Church and as a dear friend. He was the only pastor we ever had that could come to the house and just become a member of the family. I will never forget him being at the house and asking my mother what was for dinner and when she told him, he said "Wilma, get me a plate. I'm gonna eat with you".

*I can still picture him and Mrs. Robbie in the yellow car that he bought from my grandparents. He was truly one of a kind and the most caring person I have ever met.*

*Cherish the sweet memories of this wonderful servant of God and may he bless you in your time of sorrow.*
