“ *We had not seen each other in many a year, but when I heard about her today, it hurt as if it was yesterday we were talking about growing old sitting in a rocking chair and working puzzles. Baker, I will be praying for you all.*

“ I've known Glenda all my life.{65 yrs.} We were raised in the same neighborhood. She told me that when I was just 3 days old, my mother stopped in her parents store so she could meet me. We've stayed in touch all these years. She will be missed by me & many, many others.
