What an inspiration Gracie Denton was to me. She loved her , husband, her family and most of all the Lord. She was always smiling and giving out hugs. It was such an honor and a privilege that you came into my life. Absolutely one of the most precious individuals I've ever known. It thrills my soul to think of the reunion you had with your husband. You will be missed , but our hearts are happy for you. I will see you again, sweet lady. RIP ❤️
