“ *The Grady McMinn family. Grady will be greatly missed by myself, my 3girls, and all of my grandchildren. He was PapaG to my girls, PapaG Giant Leprechaun to my grands. He and I spent 23 years together. My heart aches at his loss and I am sure each member of his family hearts ache at losing their brother, father, grandfather, and uncle. He was truly one of a kind. He truly had a sense of humor which was unique to him. Rest In Peace and we will meet again.*

“ *The family of Grady McMinn. I truly grieve with each of the loss of Grady. He and I were together for 23 years. He gave away my girls, was close by when grands were born, attended graduations, birthday parties, you name it you were there. I shall miss your deep baritone voice, your jokes, discussing our jobs, and recipes. I shall see your face one day, but now it is your time to rest.*

“ *For 23 years, You and spent nearly every weekend together. While my heart aches and I grieve over your loss, I know your family grieves as well. You gave two of my girls away in marriage, loved 3 of my girls, and was close by when some of the grandchildren were born. I will miss that deep rich baritone voice of yours, all the conversations regarding work, children, and recipes. Rest now my dear one and one day I shall see your face again.*
